

Expression of Interest Form

This expression of interest form has been produced with guidance from www.nicie.org to gather information on the level of demand for Integrated Primary School provision in Gillygooley and the surrounding areas.

This is NOT an admissions application form. This form is a way for Gillygooley Primary School to determine the level of support for Integrated provision and to gather support for our development proposal to transform our school to Integrated status.

*GDPR: Your personal information is required to verify responses; it may be used by us to send you updates on our progress or about school events. **We will not share your details with anyone else.** We will record and keep these records in line with the Department of Education's guidelines on retention/disposal policy. **Anonymous data** may be shared with relevant departments to demonstrate the level of demand in the local area for Integrated Education.*
